

Write a letter to yourself.

You will be given this letter back our last week together this year. This letter should outline your personal expectations for the year. **It is for your eyes only and will be sealed.**

Be honest.

Be aspirational.

Share your personal goals.

Challenge yourself to strive for greatness.

Complete your letter and submit it in a **sealed envelope** - make sure you put your name and the date on the front. This is your letter - it's not just about English - it's about you.

Give it to Mrs Bevin by next lesson - Monday (W3).
